

2007 Mako Holiday Classic Notes

Welcome to all. We are pleased that you have entered the MAKO Holiday classic.

We have just over 1000 swimmers and most sessions are very comfortable. **Friday night is a problem.** We will swim all events as seeded. The 500 free FOR ALL (events 13-18) is the only area that we need to limit. We will swim 5 heats for each event. We are asking for a positive check in by 7 PM. These events will not be reseeded, but those who have not checked in will be eliminated and every attempt will be made to fill the empty lanes with the next eligible swimmers. A swimmer who has checked in and does not swim will be scratched from their next event.

** Added 12/4/2007 We do plan to fill the lanes in the womens 500 free with the next eligible 13-14 entries in the 500 free

** Corrected 12/4/2007 ** Note the PM session starting times. The deck will not open up until 12:00 and warm-ups will start at 12:15 PM. Encourage your PM swimmers and parents not to get there early. The upper lobby gets very crowded when we have to hold swimmers upstairs. After noon sessions should finish about 4:30 PM.

Warm-ups are assigned as follows. They have not changed.
